

Ning Shao

Arlington, VA • ningshao199981@outlook.com • [GitHub](#) • [LinkedIn](#) • [Portfolio](#)

Technical Skills

Programming: Python (Pandas, NumPy, Matplotlib, Seaborn), SQL, LaTeX

Data Tools: Excel (PivotTables, VLOOKUP), Tableau, SPSS, Power BI, Streamlit

Analysis: Data cleaning, regression modeling, visualization, hypothesis testing

Languages: English (Professional), Mandarin (Native), Korean (Fluent), Japanese (Basic)

Education

M.A. Philosophy

California State University, Long Beach, US
2021 – 2025

B.A. Philosophy

Shandong University, China
2017 – 2021

Honors

Academic Excellence in Philosophy — CSULB (2022–2023)

Student Summer Research Award — CSULB (Summer 2022)

Analytical Coursework

Rationality and Decision Making
Cognitive Psychology
Logic and Critical Thinking

Professional Summary

- Analytical and detail-oriented data analyst with interdisciplinary training in philosophy, linguistics, and education.
- Skilled in Python, SPSS, and Excel for data cleaning, visualization, and insight generation.
- Passionate about bridging human-centered analysis with statistical reasoning to improve data-driven decision-making.

Selected Projects

Google Play Store App Success Analysis (Python)

- Cleaned and analyzed 10K+ app data to identify predictors of rating and installs using Pandas and StatsModels.
- Built regression models and visualized relationships with Matplotlib and Seaborn.

Education Outcome Dashboard (SPSS & Excel)

- Analyzed 500+ student records to identify retention and performance patterns.
- Automated monthly reporting using Excel macros to streamline administrative workflows.

Professional Experience

Research Intern

May 2024 – Feb 2025

WE Education, New York, NY

- Analyzed student datasets to improve cross-cultural learning outcomes.
- Visualized retention data and presented insights to leadership.

Registrar & Data Assistant

Apr 2024 – Feb 2025

Capitol Language Services, Washington DC

- Optimized enrollment workflow using ProCare, reducing turnaround time by 20%.
- Implemented digital student tracking systems to improve data transparency.

Content Tutor

2022 – 2023

University Learning Center, CSULB

- Tutored undergraduate students in writing and critical reasoning.

Research Assistant

Spring – Summer 2022

Philosophy Dept., CSULB

- Edited and formatted materials for Dr. Cory Wright's special issue on scientific explanation in *Philosophical Problems in Science*.
